

Dear Friends,

Recently it struck me. This fall marks the thirteenth year since my first trip to Malawi. It's been an amazing, faith-filled journey of learning how God works and how He uses people who will say "yes" to Him. It was my obedience to God's call that brought me to Malawi back in 2007, but it was pure love for the people and the excitement of watching God work that keeps me going back again and again. I was amazed at all God can accomplish when we pray, step out in faith, and trust Him. I found that He can and will use "just anyone" for Kingdom work if we're willing to be His servants. I am still in awe of how much God has accomplished through CFA simply because our team is willing to listen to God's call to be used by Him.

We're happy to share some of the many projects and needs that have been met over the past few months—even without a spring team trip and with the continuing limitations put on us by Coronavirus restrictions. We'll also share some of our upcoming needs. Covid-19 has slowed the work of man, but nothing can stop God!

It takes all of us to accomplish this work, so again, we want to thank you for your faithfulness in remembering CFA in your prayers, donations, and encouraging words. I pray that you will feel the same joy and excitement we do as you hear about some of the needs that have been met and the upcoming projects God is leading us to do—both in Burundi and Malawi.

Our work is wide and we cannot report on every area of ministry in each newsletter. If anyone would like to talk with us or hear more specific information, please, don't hesitate to contact us. Thank you for your continued partnership!

"So then, just as you received Christ Jesus as Lord, continue to live your lives in him, rooted and built up in him, strengthened in the faith as you were taught, and overflowing with thankfulness." -Colossians 2:6

Prison Fellowship Malawi

Bibles for the Prisons!

One Minnesota Organization provided funding for Bibles to go to the prisons in Malawi. We are so thankful for this answer to prayer! Please pray with us that funding for this ministry will continue until every prison in Malawi can acquire Bibles for the inmates!

The Children of Prisoners Program

(CPP) continues to grow and flourish. Thanks to some generous donations, we have been able to help support this very needed program.

Evangelism Outreach

Some may think because we can't go to Malawi now ourselves the work stops, but with strong leaders the work can still go on. Meet Sam and Kelvin, Translators at Iris Africa Bible School. They have a strong calling to be Evangelist Missionaries to the local communities. Below are some pictures of individuals that Sam and Kelvin identified as needing help. We are thankful for these two young men, and look forward to watching how God will use them! Please keep them in your prayers as they minister to the people.

This woman was homeless and starving on the streets. Through help from donors and CFA, Sam and Kelvin were able to get her food and clothing, and built her this home where she now lives with her daughter-in-law and grandchild.

Last year Sam and Kelvin identified a challenged child named Mavuto which literally means trouble because of the condition he was born with. They changed his name to be Blessing so he would know that he is a blessing before God.
