

Lamentations 3 says, "The steadfast love of the Lord never ceases, His mercies never come to an end. They are new every morning: great is Your faithfulness"

In this season of thanksgiving CFA wants to acknowledge and give thanks for our prayer partners, donors and leaders in Africa. Once again we have seen the faithfulness of our loving God. His grace is sufficient and your faithfulness in praying, giving and leading has allowed CFA to bring blessings to many people in Africa. For this we rejoice and we hope you will be blessed through the pictures as we show you some of what God is doing in both Malawi and Burundi.

### Rural Churches

As evangelism continues, churches are planted in new areas. This year CFA was blessed to be able to roof 10 rural churches and aid with general building needs at churches in Malawi and Burundi. When someone says, "We've moulded over 30,000 bricks", it's time to start building!!

Word of Grace Church in Bimbi has grown under the leadership of Pastor Moses! 30,000 bricks (left) have been baked as they look to enlarge and rebuild the church. The building has been started, and we are excited!

Much needed repairs were made on this Church in Burundi

## Schools

Bimbi and Mvera Schools continue to serve over 300 children. Praise God for the relationship Pastor Moses has with the leaders who have welcomed CFA's Christian based school into their mainly Muslim area.

**Pray** for these children from mainly Muslim families.

**Pray** for the village elders as we share God's love in various ways in their community that the eyes of their hearts may be opened to receiving the Truth of God's Word.

We thank God for the support we receive from Memorial Church and other donors for teacher trainings, textbooks, Chichewa Children's Bibles and now a new teacher's office and storage building in Mvera.

## Bimbi Irrigation Project

**Pray** for this 35 hectare solar powered irrigation project near Liwonde National Park in Malawi. When completed it will bless 300-400 families from 5 communities that struggle with salty well water. Phase 1 with its 3 year trial period is over and we are delighted that plans are underway to begin phase 2 which will bring water from the Shire River.

Currently, a tractor is preparing the field for rice planting.

## Burundi Rice Project

This 1.2 acre self sustaining rice project continues to bless the members of one church in Bubanza, Burundi

## Evangelism Outreach

**Pray** for CFA as we reach out to the blind, disabled, orphans and widows. **Pray** for our leaders as they meet with these people to share the Word, pray with them and support them with food, housing and basic needs.

## Kids Clubs

Kids clubs in both Malawi and Burundi continue to grow. Many are hearing about Jesus and how much God loves them for the first time. **Pray** with us that the kids will continue to grow spiritually and seek to know God's will for their life. **Pray** for strength and wisdom for our leaders who seek to walk alongside these children as they share the love of Christ.

## Prison Fellowship Malawi

The Halfway House will be graduating 44 in January.

Prison ministry continues as new prisons are visited. We're thankful for our Bible donors who help place Bibles in the hands of prisoners.

Halfway House Graduates receive take home tools and follow up support. **Pray** that God will provide enough funds to keep this ministry going.

The Child Sponsorship Program has grown to over 500 children.
